We're the best place to get for your called book. And your own time to obtain this specific guide since on the list of compromises has already been ready. So the prefect carried him up to the Sultan and he said, "I have an advertisement for thee, O my lord." "What is thine advertisement?" asked the Sultan; and the thief said, "I repent and will deliver into thy hand all who are evildoers; and whomsoever I bring not, I will stand in his stead." Quoth the Sultan, "Give him a dress of honour and accept his profession of repentance." So he went down from the presence and returning to his comrades, related to them that which had passed and they confessed his subtlety and gave him that which they had promised him. Then he took the rest of the stolen goods and went up with them to the Sultan. When the latter saw him, he was magnified in his eyes and he commanded that nought should be taken from him. Then, when he went down, [the Sultan's] attention was diverted from him, little by little, till the case was forgotten, and so he saved the booty [for himself]. The folk marvelled at this and the fifteenth officer came forward and said, 'Know that among those who make a trade of knavery are those whom God the Most High taketh on their own evidence against themselves.' 'How so?' asked they; and he said..Most like a wand of emerald my shape it is, trow I, ii. 245..Then he carried him to his house and stripping him of his clothes, clad him in rags; after which he called an old woman, who was his stewardess, and said to her. 'Take this youth and clap on his neck this iron chain and go round about with him in all the thoroughfares of the city; and when thou hast made an end of this, go up with him to the palace of the king.' And he said to the youth, 'In whatsoever place thou seest the damsel, speak not a syllable, but acquaint me with her place and thou shall owe her deliverance to none but me.' The youth thanked him and went with the old woman on such wise as the chamberlain bade him. She fared on with him till they entered the city [and made the round thereof]; after which she went up to the palace of the king and fell to saying, 'O people of affluence, look on a youth whom the devils take twice in the day and pray for preservation from [a like] affliction!' And she ceased not to go round about with him till she came to the eastern wing (189) of the palace, whereupon the slave-girls came out to look upon him and when they saw him they were amazed at his beauty and grace and wept for him..Then she walked in the garden till she came to a pavilion, lofty of building and wide of continence, never saw mortal nor heard of a goodlier than it [So she entered] and found herself in a long corridor, which led to a bath goodlier than that whereof it hath been spoken, and the cisterns thereof were full of rose-water mingled with musk. Quoth Tuhfeh, 'Extolled be the perfection of God! Indeed, this (210) is none other than a mighty king.' Then she put off her clothes and washed her body and made her ablution, after the fullest fashion, (211) and prayed that which was due from her of prayer from the evening [of the previous day]. (212) When the sun rose upon the gate of the garden and she saw the wonders thereof, with that which was therein of all manner flowers and streams, and heard the voices of its birds, she marvelled at what she saw of the surpassing goodness of its ordinance and the beauty of its disposition and sat meditating the affair of Er Reshid and pondering what was come of him after her. Her tears ran down upon her cheek and the zephyr blew on her; so she slept and knew no more till she felt a breath on her cheek, whereupon she awoke in affright and found Queen Kemeriyeh kissing her face, and with her her sisters, who said to her, 'Arise, for the sun hath set.'76 En Numan and the Arab of the Benou Tai dclx.?STORY OF THE MAN OF KHORASSAN, HIS SON AND HIS GOVERNOR..Presently, up came a horseman in quest of water, so he might water his horse. He saw the woman and she was pleasing in his sight; so he said to her, 'Arise, mount with me and I will take thee to wife and entreat thee kindly.' Quoth she, 'Spare me, so may God spare thee! Indeed, I have a husband.' But he drew his sword and said to her, 'An thou obey me not, I will smite thee and kill thee.' When she saw his malice, she wrote on the ground in the sand with her finger, saying, 'O Abou Sabir, thou hast not ceased to be patient, till thy wealth is gone from thee and thy children and [now] thy wife, who was more precious in thy sight than everything and than all thy wealth, and indeed thou abidest in thy sorrow all thy life long, so thou mayst see what thy patience will profit thee.' Then the horseman took her, and setting her behind him, went his way..104. El Amin and his Uncle Ibrahim ben el Mehdi ccccxviii."O elder," added she, "if Muslims and Jews and Nazarenes drink wine, who are we [that we should abstain from it]?" "By Allah, O my lady," answered he, "spare thine endeavour, for this is a thing to which I will not hearken." When she knew that he would not consent to her desire, she said to him, "O elder, I am of the slave-girls of the Commander of the Faithful and the food waxeth on me (34) and if I drink not, I shall perish, (35) nor wilt thou be assured against the issue of my affair. As for me, I am quit of blame towards thee, for that I have made myself known to thee and have bidden thee beware of the wrath of the Commander of the Faithful."? ? ? ? c. The Third Calender's Story liii.? ? ? ? O thou with love of whom I'm smitten, yet content, I prithee come to me and hasten to my side..On this wise they abode months and years and the queen-mother ceased not to do thus till the cook's brother came to the town in his ship, and with him Selim. So he landed with the youth and showed him to the queen, [that she might buy him]. When she saw him, she augured well of him; so she bought him from the cook's brother and was kind to him and entreated him with honour. Then she fell to proving him in his parts and making assay of him in his affairs and found in him all that is in kings' sons of understanding and breeding and goodly manners and qualities..? ? ? ? p. The Foxes and the Wolf dccccxi.Chamberlain's Wife, The King and his, ii. 53..? ? ? ? Whose streams beneath the myrtle's shade and cassia's welled amain And birds made carol jubilant from every blossomed spray..?THE SIXTH VOYAGE OF SINDBAD THE SAILOR..Mamoun (EI) El Hakim bi Amrillah, The Merchant and the Favourite of the Khalif, iii. 171.."And indeed," continued Adi, "this ode on the Prophet (may God bless and keep him!) is well known and to comment it would be tedious." Quoth Omar, "Who is at the door?" "Among them is Omar ibn [Abi] Rebya the Cureishite," (49) answered Adi, and the Khalif said, "May God show him no favour neither quicken him! Was it not he who said ... ?" And he recited the following verses:.Fourteenth Officer's Story, The, ii. 183..The news came to the rest of the kings; so they [flew after him and] overtaking him, found him full of trouble and fear, with fire issuing from his nostrils, and said to him, 'O Sheikh Aboutawaif, what is to do?' Quoth he, 'Know that Meimoun hath carried off Tuhfeh from my palace and outraged mine honour.' When they heard this, they said, 'There is no power and no virtue but in God the Most High, the Supreme! By Allah, he hath ventured upon a grave matter and indeed he destroyeth himself and his people!' Then the Sheikh Iblis gave not over flying till he fell in with the tribes of the Jinn, and there gathered

themselves together unto him much people, none may tell the tale of them save God the Most High. So they came to the Fortress of Copper and the Citadel of Lead, (238) and the people of the strongholds saw the tribes of the Jinn issuing from every steep mountain-pass and said, 'What is to do?' Then Iblis went in to King Es Shisban and acquainted him with that which had befallen, whereupon quoth he, 'May God destroy Meimoun and his folk! He thinketh to possess Tuhfeh, and she is become queen of the Jinn! But have patience till we contrive that which befitteth in the matter of Tuhfeh.' Quoth Iblis, 'And what befitteth it to do?' And Es Shisban said, 'We will fall upon him and slay him and his people with the sword.' Zubeideh, El Mamoun and, i. 199. When the Cadi heard this, his colour changed and he was troubled and waxed exceeding wroth and was rike to burst for excess of rage. Then said he to the merchant, "God forbid that this should be! How shall it be permitted that the daughter of the Cadi of the Muslims abide with a man of the dancers and vile of origin? By Allah, except thou divorce her forthright, I will bid beat thee and cast thee into prison till thou die! Had I foreknown that thou wast of them, I had not suffered thee to approach me, but had spat in thy face, for that thou art filthier (268) than a dog or a hog." Then he gave him a push and casting him down from his stead, commanded him to divorce; but he said, "Be clement to me, O Effendi, for that God is clement, and hasten not. I will not divorce my wife, though thou give me the kingdom of Irak." This was all the merchant's good; so he said, "O youth, I will play thee another game for the shop." Now the value of the shop was four thousand dinars; so they played and El Abbas beat him and won his shop, with that which was therein; whereupon the other arose, shaking his clothes, and said to him, "Up, O youth, and take thy shop." So El Abbas arose and repairing to the shop, took possession thereof, after which he returned to [the place where he had left] his servant [Aamir] and found there the Amir Saad, who was come to bid him to the presence of the king. El Abbas consented to this and accompanied him till they came before King Ins ben Cais, whereupon he kissed the earth and saluted him and exceeded (78) in the salutation. Quoth the king to him, "Whence comest thou, O youth?" and he answered, "I come from Yemen." 54. The Woman whose Hands were cut off for Almsgiving dcxli. Foul-favoured Man and his Fair Wife, The, ii. 61.. There was once aforetime a certain sharper, who [was so eloquent that he] would turn the ear inside out, and he was a man of understanding and quick wit and skill and perfection. It was his wont to enter a town and [give himself out as a merchant and] make a show of trafficking and insinuate himself into the intimacy of people of worth and consort with the merchants, for he was [apparently] distinguished for virtue and piety. Then he would put a cheat on them and take [of them] what he might spend and go away to another city; and he ceased not to do thus a great while.. Quoth the king, "O Saad, fetch him to me, for indeed thou describest to me a masterful man." (76) And he answered, saying, "By Allah, O my lord, hadst thou but seen our case with Hudheifeh, what while he challenged me to the field of war and the stead of thrusting and smiting and I held back from doing battle with him! Then, whenas I thought to go forth to him, behold, a cavalier gave loose to his bridle-rein and called out to me, saying, 'O Saad, wilt thou suffer me to fill thy room in waging war with him and I will ransom thee with myself?' And I said, 'By Allah, O youth, whence cometh thou?' Quoth he, 'This is no time for thy questions.'" Then he recounted to the king all that had passed between himself and El Abbas from first to last; whereupon quoth Ins ben Cais, "Bring him to me in haste, so we may learn his tidings and question him of his case." "It is well," answered Saad, and going forth of the king's presence, repaired to his own house, where he put off his harness of war and took rest for himself.. Then the thieves addressed themselves to sharing their booty and presently fell out concerning a sword that was among the spoil, who should take it. Quoth the captain, 'Methinks we were better prove it; so, if it be good, we shall know its worth, and if it be ill, we shall know that.' And they said, 'Try it on this dead man, for he is fresh.' So the captain took the sword and drawing it, poised it and brandished it; but, when Er Razi saw this, he made sure of death and said in himself, 'I have borne the washing and the boiling water and the pricking with the knife and the grave and its straitness and all this [beating], trusting in God that I might be delivered from death, and [hitherto] I have been delivered; but, as for the sword, I may not brook that, for but one stroke of it, and I am a dead man.' ? ? ? ? ? e. The Niggard and the Loaves of Bread dccccxxxiv. When it was the Nine hundred and thirtieth Night, Shehrzad said, "O king, there is present in my thought a story which treateth of women's craft and wherein is a warning to whoso will be warned and an admonishment to whoso will be admonished and whoso hath discernment; but I fear lest the hearing of this lessen me with the king and lower my rank in his esteem; yet I hope that this will not be, for that it is a rare story. Women are indeed corruptresses; their craft and their cunning may not be set out nor their wiles known. Men enjoy their company and are not careful to uphold them [in the right way], neither do they watch over them with all vigilance, but enjoy their company and take that which is agreeable and pay no heed to that which is other than this. Indeed, they are like unto the crooked rib, which if thou go about to straighten, thou distortest it, and which if thou persist in seeking to redress, thou breakest it; wherefore it behoveth the man of understanding to be silent concerning them." .? STORY OF THE OLD WOMAN AND THE DRAPER'S WIFE.. When she had made an end of her song, Queen Es Shuhba arose and said, 'Never heard I from any the like of this.' And she drew Tuhfeh to her and fell to kissing her. Then she took leave of her and flew away; and all the birds took flight with her, so that they walled the world; whilst the rest of the kings tarried behind.. There was once a man of fortune, who lost his wealth, and chagrin and melancholy got the mastery of him, so that he became an idiot and lost his wit. There abode with him of his wealth about a score of dinars and he used to beg alms of the folk, and that which they gave him he would gather together and lay to the dinars that were left him. Now there was in that town a vagabond, who made his living by sharpening, and he knew that the idiot had somewhat of money; so he fell to spying upon him and gave not over watching him till he saw him put in an earthen pot that which he had with him of money and enter a deserted ruin, where he sat down, [as if] to make water, and dug a hole, in which he laid the pot and covering it up, strewed earth upon the place. Then he went away and the sharper came and taking what was in the pot, covered it up again, as it was.. As for the king, he arose in haste and disguising himself, repaired to the house of Firouz and knocked at the door. Quoth Firouz's wife, "Who is at the door?" And he answered, saying, "I am the king, thy husband's master." So she opened the door and he entered and sat down, saying, "We are come to visit thee." Quoth she, "I seek refuge [with God] from this visitation, for indeed I deem not well thereof." And the king said, "O desire of hearts, I am thy husband's master and methinks thou knowest me not." "Nay," answered she, "I know thee, O my lord and master, and I know thy purpose and that which thou seekest and that thou art my husband's lord. I understand what thou wishest, and indeed the poet hath forestalled thee in his saying of the following verses, in reference to thy case.. When I awoke and opened my eyes, I found myself [in the open air] and the raft moored to the bank of the stream, whilst about me were folk of the blacks of Hind. When they saw that I was awake, they came up to me, to question me; so I rose to them and saluted them. They bespoke me in a tongue I knew not, whilst I deemed myself in a dream, and for the excess of my joy, I was like to fly and my reason refused to obey me. Then there came to my mind the verses of the poet and I

recited, saying: . . . . . m. The Goldsmith and the Cashmere Singing- girl dlxxxvi. . . . . Forbear thy verse-making, O thou that harbourest in the camp, Lest to the gleemen thou become a name of wonderment..Poor Old Man, The Rich Man who gave his Fair Daughter in Marriage to the, i. 247.. "There was once a man of Khorassan and he had a son, whose improvement he ardently desired; but the young man sought to be alone and to remove himself from his father's eye, so he might give himself up to pleasance and delight. So he sought of his father [leave to make] the pilgrimage to the Holy House of God and to visit the tomb of the Prophet (whom God bless and keep!). Now between them and Mecca was a journey of five hundred parasangs; but his father could not gainsay him, for that the law of God made this (178) incumbent on him and because of that which he hoped for him of improvement [therefrom]. So he joined unto him a governor, in whom he trusted, and gave him much money and took leave of him. The son set out on the holy pilgrimage (179) with the governor and abode on that wise, spending freely and using not thrift..Now there was before us a high mountain, (200) rising [abruptly] from the sea, and the ship fell off into an eddy, (201) which bore it on till presently it struck upon the skirt (202) of the mountain and broke in sunder; whereupon the captain came down [from the mast], weeping, and said, 'God's will be done! Take leave of one another and look yourselves out graves from to-day, for we have fallen into a predicament (203) from which there is no escape, and never yet hath any been cast away here and come off alive.' So all the folk fell a-weeping and gave themselves up for lost, despairing of deliverance; friend took leave of friend and sore was the mourning and lamentation; for that hope was cut off and they were left without guide or pilot. (204) Then all who were in the ship landed on the skirt of the mountain and found themselves on a long island, whose shores were strewn with [wrecks], beyond count or reckoning, [of] ships that had been cast away [there] and whose crews had perished; and there also were dry bones and dead bodies, heaped upon one another, and goods without number and riches past count So we abode confounded, drunken, amazed, humbling ourselves [in supplication to God] and repenting us [of having exposed ourselves to the perils of travel]; but repentance availed not in that place..His father rejoiced in him with the utmost joy and his heart was solaced and he was glad; and he made banquets to the folk and clad the poor and the widows. He named the boy Sidi (3) Nouredin Ali and reared him in fondness and delight among the slaves and servants. When he came to seven years of age, his father put him to school, where he learned the sublime Koran and the arts of writing and reckoning: and when he reached his tenth year, he learned horsemanship and archery and to occupy himself with arts and sciences of all kinds, part and parts. (4) He grew up pleasant and subtle and goodly and lovesome, ravishing all who beheld him, and inclined to companying with brethren and comrades and mixing with merchants and travellers. From these latter he heard tell of that which they had seen of the marvels of the cities in their travels and heard them say, "He who leaveth not his native land diverteth not himself [with the sight of the marvels of the world,] and especially of the city of Baghdad." . . . . . Thou only art the whole of our desire; indeed Thy love is hid within our hearts' most secret core.
