It was all right, then, though the word "change" rang and rang in his head..However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles-and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this..He strode from the house, turned, and set a fire spell on it so that it burst into flames, thatch and walls and every window spouting fire. Women ran out of it screaming. They had been hiding no doubt in the back room; he paid them no attention. "Hound," he thought.
