Amos himself was well aware how long he would have hesitated had the question been asked of him. As the seconds passed, he began to fear for Jack's life, and wished he had had a chance to figure some other way to get the mirror out. One minute passed; perhaps they could have tricked the girl into bringing it up herself. Two minutes; they could have tied a string to the leg of a frog and sent him down to do the searching. Three minutes; there was not a bubble on the water, and Amos surprised himself by deciding the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at his feet. ones, to provide themselves with an avenue into Heaven. The two interpretations have. It took perseverance, alertness, and a willingness to break the rules to watch the sunrise in Tharsis Canyon. Matthew Crawford shivered in the dark, his suit heater turned to emergency setting, his eyes trained toward the east. He knew he had to be watchful. Yesterday he had missed it entirely, snatched away from him in the middle of a long, unavoidable yawn. His jaw muscles stretched, but he controlled it and kept his eyes firmly open. lived. He had been discovered about midnight when the people living below him had noticed dried blood. As soon as we got word that the strike was on, we walked off the job. It was 10:40 A.M. Those of us scheduled to go on picket duty first began walking up and down in front of the gate. The rest of us hung around for a while, smoking cigarettes and speculating on how long we'd be out. Then we meandered on home. "These are what I need," said Amos, putting on the clothes quickly, for he was beginning to get chilly standing in his underwear. The other was Prince Jack himself. We cut and I dealt "How long have you been in Hollywood?". In the audience was my good friend of three decades? the well-known science fiction writer, boo vivant, and wit, Randall Garrett. Out of the corner of my eye, I noticed a piece of paper placed on the podium as I talked about cloning. I glanced at the paper without quite halting my speech (not easy, but it can be done, given the experience of three decades of public speaking) and saw two things at once. First, it was one of Randall's superlative pieces of satiric verse, under the grille. "What do the ' seismics and Sniffers say about Swley's decoys?" Colman asked, turning his head toward Driscoll. "Bert, do that again." .27. "Of course before breakfast," said the prince, and fell to chopping. The ice chips flew around him, and he worked up such a sweat that in all the cold he still had to take off his shirt. He worked so hard that in one hour he had laid open the chunk, and there, sticking out, was the broken fragment of mirror. Tired but smiling, the prince lifted it from the ice and handed it to Amos. Then he went to pick up his shirt and coat. "Before six-thirty?" has fused into one huge tectonic slab of flesh.
